

Becoming a Love and Logic Parent

Are you ready for some practical ideas for raising responsible kids who feel great about themselves? Come together with other Northminster parents for the *Becoming a Love and Logic Parent* program. Through this program, parents will become equipped with techniques that are easy to learn, change lives, and raise responsible kids. The *Becoming a Love and Logic Parent* program was carefully developed by Jim Fay, Charles Fay, Ph.D., and Foster W. Cline, M.D., of the Love and Logic Institute, Inc., in Golden, Colorado. This six session course is facilitated by Northminster parent Gretchen Wooldridge, who is a *Becoming a Love and Logic Parent* Independent Facilitator.

Parents will receive a workbook to keep, handouts, and a Love and Logic materials catalog.

The fee for the 6 week program is \$125 per family. *Gretchen will be donating her fees to The Foundation For Tomorrow, a Tanzanian based organization striving to empower the future of developing nations by educating their youth.*

Classes will meet on **Sunday afternoons from 3:00 – 5:00 PM** at Northminster in the Library and **complimentary child care will be provided** through the church in one of the Sunday School rooms.

Class meeting dates: February 12 & 26, March 11 & 25, April 15 & 29.

Registration forms can be found in the weekly bulletin and at church.

Please contact Gretchen with any questions at (847) 903-4882 or gwooly17@gmail.com.

You may register by completing the information below and turning in this form with payment (\$125 by check made out to Gretchen Wooldridge) to the church office.
